SKNCOA has been started with the objective of bringing best architects equipped with ultra modern skills who can take up the task of visualizing and designing for the human habitat with confidence and integrity.

Architecture is a strong medium of expression where things are brought in existence which will sustain for years. The needs of the user, the tradition, Culture of a place played an important role in shaping the architectural expression of today we see that these expressions in form of monuments stand before us which themselves are the testimony of time and culture, So conserving & exploring Cultural Landscape is our philosophy.

Traveling is undoubtedly an inevitable part of learning architecture. Learning architecture is a process of rebirth of an individual's perspectives and personalities.

When organized by an institution as a **study tour**, it allows the students to gain that experience, at the right age, so that it becomes a part of the very process of rebirth.

SYNOPSIS WRITING, REPORT WRITING AND LITERATURE REVIEW

Ar. Pashmeena Gohm graduated from Sir J.J. College of Architecture, Mumbai (2004). Her M. Arch in Construction Management is from Rachana Sansad College of Architecture, Mumbai (2008). She has 15 years of experience. She has contributed to the cause of architecture in academics at various levels, worked as a professional architect with creative contributions in built forms and interiors, and through research and publications in various national and international conferences and journals. Her work and research in imparting creativity in architecture students need special mention. Her research interests and architectural studies include contextual design, design education, integrated design, children and the built environment, regional and vernacular architecture, smart villages, and smart cities. She believes learning needs to be discourse-oriented, interactive, and empowering for learners. The learning process shall offer an equal opportunity for all and be holistic in nature, resulting in the making of responsible citizens. Currently, she is pursuing a Ph.D. from the Indian Institute of Technology, Kharagpur.

Students' work for Academic Year (2022-2023)

AR.SWALI NUDAM PATIL Batch: 2021-2023

This collage is having very healthy environment. Learning staff is not interested with technology may be they depend on books and learning staff are not learning staff but are work for students. The students are not using staff and other people are not work on it. I hope design found a creative and healthy environment and the students getting inspiration. Most of the students were started after this collage got view in the student's corner of collage.

MANSI SURISH PATIL Batch: 2021-2023

My experience about collage life.

- It is a healthy learning and making new faculty giving a great experience.

My experience about work life.

- It is an application of your skills with actually handling of projects with the making any creative thread.

Pooja Kulkarni Batch: 2021-2023

SKNCOA has provided a healthy environment. They arranged every thing and have an experience students to get all a through knowledge about what is landscape architecture study is landscape architecture.

Ar. Mahesh Subhash Dumbre Batch: 2021-2023

This collage offers every comprehensive understanding of the profession and the challenges of landscape architecture in such context and public environment. Encouraging students, innovative staff and supportive environment to learn and explore makes the journey of landscape architecture student very joyful. In future, I am ready to work in this field.

Ar. Prerana Zende Batch: 2020-2022

My journey at SKNCOA has been a wonderful one. Although my first year mostly going in online due to pandemic, we always got great experience and guidance during the academic year right from improving my landscape knowledge. My background was in painting the outdoors & I'd further learn very quickly in college.

Ar. Pranav Pravin Parob Batch: 2020-2022

Shivali Phate Batch: 2020-2023

Ar. Ajay Kishor Kelkar Batch: 2021-2023

The main focus is to get the partnership and collaboration with the industry from whatever the environment they provide. From B.A. Our teachers have provided practical responsibility towards better healthy & green world.

Introduction:

SAAD in Marathi means, a call. It holds different meanings to in various contexts. Like the onset of spring calls for abundance of food and nesting locations for birds and animals. Rains transform this earth into heaven.

Each living being on this planet is in rhythmic synchronization with the different seasons of nature. SAAD is an organization which is based on the similar vision to create symbiotic relation between Architecture and its allied fields.

Vision: "Knowledge sharing platform" Knowledge inspires and challenges. It modifies how we perceive the world around us. 'SAAD' envisions creating a knowledge sharing platform for better future, everyone to grow together.

'SAAD' welcomes all the academicians, professionals, UG and PG students of architecture and allied fields, to share, support, acknowledge and develop their research, and have lifelong learning's.

Another important vision of SAAD' is to expose primary & secondary school students to "Architecture, so that they choose this, field as their profession in future.

Objectives

- i) To encourage regional & international, and academics interaction & learnings. professional
- ii) To recognize outstanding contributions of individuals & organizations both.
- iii) To organize lectures, conferences, seminars and competitions for self and community up gradation.

Alumni Meet '22

Alumni Cell of SKNCOA- P. G. & U. G. Department: B. Arch.

The formal farewell ceremony was held after the rejuvenate 2022 event, at SKNCOA.

Both PG & UG batches, with a small celebration together in the form of a informal meet over a Hi-Tea!

It was really a joyful & emotional ride down the memory lane for Students & Faculty.
