About US

About the Conference

Sinhgad Technical Education Society's Smt. Kashibai Navale College of Architecture (SKNCOA) Pune, India brings International Conference in alignment with the issues related nurturing natural and technological resources sustainability. Society for Architecture and Allied Disciplines (SAAD) subsidiary of SKNCOA encourages inter disciplinary research related humanities, technology, art and architecture.

What we choose today will shape the life of Tomorrow.

At present world is facing unprecedented challenges in the urban and rural areas. Its adverse effects can be seen in natural disasters, climate change and pandemics. It has affected public health, food securities causing economic and social disruption. These issues have placed millions of livelihood at great risk. During these challenging times to address these consequences and calamities we need to align research works with Sustainable Development Goals (SDGs) in delivering meaningful progress for the humanity.

This conference will address the above issues by providing a common platform for researchers, academicians, professionals and students by promoting an integrative research approach. Let us contribute to the brighter future through our research works!

The abstracts of the papers will be published as conference proceedings with ISBN, selected papers will be collated into an indexed publication of international repute.

PAPER THEME:

- Environment – Sustainable Development Goals and associated Environmental issues to address above challenges.
- Humanities – Social, Cultural, Economic etc issues related to SDGs & environment to address above challenges.
- Planning & Design – All Interdisciplinary streams related to Urban Planning, Urban Design, Landscape as the proactive tool to address the above challenges.
- Technology and Services – All Interdisciplinary streams involving Innovations & its Application to address the above challenges.
- Pedagogic - All Interdisciplinary streams involving Innovations & its Application to pedagogy of above mentioned streams.

Report on International Conference on “Re-thinking the Future: Un-learning and Learning”

Event Details

The International Conference titled “*Re-thinking the Future: Un-learning and Learning*” is scheduled for January 29th–30th, 2024. It is hosted by the *Smt. Kashibai Navale College of Architecture (SKNCOA)* under *Sinhgad Technical Education Society* in Pune, India. This conference focuses on sustainability, interdisciplinary research, and the re-evaluation of existing approaches in architecture, technology, and humanities to address global challenges.

The event will be held online, making it accessible to a global audience. The conference is organized in association with prominent organizations including:

- **Council of Architecture**
- **Architects, Engineers & Surveyors’ Association (AESA)**
- **Institute of Indian Interior Designers (IIID), Pune Regional Chapter**

Organizing Committee

The committee includes esteemed patrons such as:

- Prof. M.N. Navale (Founder President, STES)
- Dr. Sunanda Navale (Founder Secretary, STES)
- Dr. Rohit Navale (Vice President - HR, STES)
- Mrs. Rachana Navale Akshettar (Vice President - Admin, STES)

The advisor for the conference is Prof. Abhay Purohit, a Council of Architecture member, and the convenor is Dr. Shobhan Kelkar, IQAC Head at SKNCOA.

Conference Objective

The theme, “*Re-thinking the Future: Un-learning and Learning,*” centers on the importance of adaptability and forward-thinking in the face of significant global issues such as climate change, pandemics, urban challenges, and socio-economic instability. The conference aims to provide a collaborative platform for academics, professionals, and students to exchange insights and propose sustainable, innovative solutions aligned with the Sustainable Development Goals (SDGs).

Call for Papers

The conference invites researchers, academics, and professionals to submit abstracts and full papers on the following themes:

1. **Environment** – Sustainable Development Goals and environmental responses to global challenges.
2. **Humanities** – Social, cultural, and economic issues relevant to the SDGs and environmental concerns.

3. **Planning & Design** – Urban planning, design, and landscaping with a focus on multidisciplinary solutions for urban and rural development.
4. **Technology and Services** – Interdisciplinary approaches in technology and innovative services that contribute to solving urban and environmental challenges.
5. **Pedagogic** – Application of interdisciplinary methods in education to address issues within these themes.

Important Dates for Paper Submission:

- **Abstract Submission Deadline:** December 15, 2023
- **Abstract Acceptance Notification:** December 20, 2023
- **Full Paper Submission:** January 10, 2024
- **Acceptance of Paper:** January 15, 2024

The conference proceedings will be published with an ISBN, and selected papers will be collated into an international publication for wider dissemination.

Registration and Fees

Registration for the conference opens on November 30, 2023, and will close on January 15, 2024. The fee structure is as follows:

- **Academicians & Professionals:** INR 1000
- **Research Scholars:** INR 500
- **Undergraduate/Postgraduate Students:** INR 500

Photos

The screenshot shows a Zoom meeting in progress. The main content is a presentation slide titled "Address by Keynote Speaker" for Ar. SUREKHA GHOGALE, Senior Advisor at Aga Khan Agency- Habitat, Geneva. The slide is presented by Shrutti Dudhane. The Zoom interface includes a top toolbar with controls like "Take control", "Pop out", "Chat", "Q&A", "People", "Raise", "React", "View", "Apps", "More", "Camera", "Mic", "Share", and "Leave". Two video thumbnails are visible: one for Surekha Ghogale (Guest) and one for Ravindra Rahigude (Guest). A "Participants" panel on the right lists 6 presenters and 7 attendees, including Deven Shahane, Neha Masalekar, Shrutti Dudhane (Organizer), Suraj Kocheta (Guest), Surekha Ghogale (Guest), Yogita Pandit, Ar. shraddha Kelji (Guest), Aaisha Zahid Sh... (Guest), ABHILASHA JADHAV, and Amol Dahivadkar. The bottom status bar shows the system tray with weather (29°C Sunny), search, and system time (11:09 AM 1/29/2024).
