POLICY FOR CURRICULAM DEVELOPMENT

PURPOSE OF POLICY

All studio and Subject Co-ordinaotrs are expected to follow

- Savitribai Phule Pune University's . Syllabus and National Education Policy document are considered as the basic guide lines.
- SKNCOA's Vision, Mission & Philosophy document provides additional direction for subject / subjects faculties to evolve the curriculum.
- Immediate Action Plan Policy **(IAPP)** provides opportunity to creatively evolve the UG / PG subjects horizontal and vertical integration.
- These documents provides the basic skeleton for Curriculum Development.
- Preserving natural and technological scarce resources for future generations.

POLICY

Above mentioned are basic guidelines to be followed for Curriculum Development and they are based on above guidelines. subject / studio, faculty / faculties are expected to evolve the unique pedagogy for SKNCOA.

- B Arch, M Arch faculty members are expected to use this policy for evolution of curriculum development for preparing respective subjects teaching plan and lesson plans.
- Before the starting of academic semester faculty can prepare IAPP and review proposed plan with IQAC.
- Incorporate the suggestions recommendations given by IQAC and follow them in the conduct of sessions in the semester.
- After the end of the semester review the outcome of plan and if needed revise it for new aims / objectives etc
- Document the course outcomes in the PDF format starting from intent to the end product.

For continual improvement of this policy IQAC can review and if needed can revise the policy as and when it is needed.
